LINE 2																				
LINE 3																				
LINE 4																				
LINE 5																				
LINE 6																				

In order to ensure that an inscription will fit onto the granite tablet, please note the following information :

- 1) The name uses a larger typeface than the remainder of the inscription, therefore it may not exceed more than 15 letters and/or spaces per line. This is indicated by the dotted line in the guide box above.
- 2) Lines not used for names may have a maximum of 20 smaller letters and/or spaces.
- 3) A maximum of 2 lines should be used for names. If a third line is required for names, line 6 **may not be used**.
- 4) **Do not forget to include the spaces in your inscription.** A space counts as a letter or number.
- 5) We will centre the text on the tablet, this guide box is only to aid your choice of inscription.
- 6) The inscription **must** be clearly written in block capitals. **We are unable to accept responsibility for any incorrect inscription due to illegible or ambiguous writing.**
